

This fun event is Back and better than ever

Our anticipated annual fundraising event again needs sponsors to provide hot air balloons on the night of June 8, and ongoing maintenance of Richmond Rose Garden. Since you were a sponsor in previous years, hopefully you will want to sponsor again.

We are very grateful for the sponsors who gave in 2021, but we unfortunately did not earn our typical revenue after pausing the event the last two years, so **we hope you will consider increasing your gift.**

Donor recognition levels to sponsor balloons are \$300, \$500, or \$1,000 or more. Additional perks have been added this year. All sponsors will have a sign with their name displayed in front of the Rose Garden along U.S. 40 before and after the event. Plus, you will be listed on our website and the information board outside the garden. Our \$500 and \$1,000 sponsors receive a more prominent listing on our website and social media, along with event tickets.

Committee members feel that hot air balloons enhance the event by bringing more people to the garden. Sponsorships also offset costs to buy rose bushes and mulch and to upgrade the irrigation system. Thank you for your support.

Your sponsorship or donation will help the Rose Garden be beautiful.
