

# 1<sup>st</sup> Annual BLOOM & GLOW

## Roses & glowing balloons need your support

The highly anticipated annual fundraising event again needs sponsors to provide hot air balloons on the night of June 5th, 2024, and for on-going maintenance of the Richmond Rose Garden. Your donation of \$300, \$500, \$1,000 or more is greatly appreciated.

All sponsors will have a sign with their name displayed in front of the Rose Garden along U.S. 40 before and after the event. Plus, you will be listed on our website and the information board outside the garden. Our \$500 and \$1,000 sponsors receive a more prominent listing on our website and social media, along with event tickets.

The Richmond Rose Garden Board feels hot air balloons enhance the event by bringing more people to the garden. Sponsorships also offset costs to buy rose bushes and for the maintenance of the garden. Thank you for your support.

**Your sponsorship or donation will help the Rose Garden be beautiful.**
